

STAGE 4: COMPLETION

At this final stage, your home is completed, detailed, and certified.

What's Included

- Completion of decorative and architectural finishes
- Installation of feature cladding and gates (if included)
- Final inspections and certification
- Preparation for handover

Final Payment

- 15% – Practical Completion

Payable once:

- All decorative items are complete
- All final certificates are issued
- The home is ready for handover
- Your new Urban Cribs home is then officially handed over to you.

Warranties & Assurance

Your home is built in accordance with standard residential building requirements and includes:

- 12-month general warranty
- 6.5-year structural warranty
